

Still using cash to buy equipment?

Leasedirect specialise in providing equipment finance to business

Increasing numbers of businesses are learning that purchasing through asset finance is more beneficial than using their own funds.

We can provide you with the spending power to purchase new equipment that keeps you ahead of your competition and enables you to benefit from profitable opportunities.

EQUIPMENT FINANCE ALSO BENEFITS FROM THE FOLLOWING KEY ADVANTAGES:

- You can finance nearly all equipment
- 100% finance - 0% outlay
- Frees cash for other purposes
- Specific tax advantages
- Gain additional facilities for future growth
- You fix your costs and can budget accordingly

EQUIPMENT FINANCE | Making the most of your cashflow
